

PRIVACY POLICY

Seefin Data Management are registered as a bureau no: 461716 under The Data Protection Act 1988. Your privacy is of paramount importance to us and we take all reasonable care to safeguard your information through security policies and secure business procedures.

Web Site

The information that we collect via this web site is limited to personal name and address data which we use solely to be able to provide you with an online service. For example: to provide you with information you have requested. The web site does not use cookies to collect usage information about your visit to our site.

Links

This website includes links to other sites. We make every effort to provide links to high quality, reputable sites, but we are not responsible for their site content, privacy policies or the services they offer.

Who sees your information?

Seefin Data Management use the information collected about you for internal use (ie. to enable us to distribute information that you have requested) and within SEEFIN DATA MANAGEMENT to provide you with other information that we think you might find of interest. We do not distribute or share information to any third party. If you want us to delete your details from our database, please contact us by telephone (+353 (0)68 22218) or email (info@seefindm.com) and ask us to remove your details.
